

FREQUENTLY ASKED QUESTIONS

Updated: 2015 AUGUST 19

=====

Can I use a lashing to attach the bow sprit sheave block to the rope loop or attach the original loop directly to the block without the use of any lashing or shackle?

NO, class rules C.9.5.a.4 says:

The bowsprit sheave block shall be attached to the U bolt using a rope loop and shackle provided by MPS
